Important events to be reported: The launch of fixed broadband and fixed telephony services by Digi Communication N.V.’s subsidiary in Spain

We would like to inform the market and our investors that today, 19 September 2018, the Company's subsidiary, Digi Spain Telecom S.L.U. ("**Digi Spain**") launched commercially its fixed broadband and fixed telephony services in Spain. These new services will be provided based on the wholesale indirect access NEBA agreement concluded with Telefonica in Spain, that will offer access to the broadband infrastructure of FTTH and ADSL of Telefonica. In a first phase, the Digi Spain fixed internet and fixed telephony services are made available to customers from the Community of Madrid, while further expansions are expected to other Spanish provinces where Digi Spain already enjoys a favourable penetration of its mobile services.
